KinderSmart – Remote Absences

Parents and Sponsors can record absences using Remote Absences without having to go to the Provider's facility.

Open the KinderSmart app on your phone. Note that the phone must be already registered with your Provider.

Once the Activities screen opens, tap Remote Absences.

If your smartphone is registered at more than one provider, tap the name of the Provider.

The date defaults to the current date. If you are recording an absence for a day in the past, tap on the date to open the calendar. Choose the date from the calendar. If you are recording an absence for the current date, skip to step F.
